

LITE Initiatives

DIY Skills, Tools, Knowledge and Community Empowerment
DRIVE LESS | BIKE MORE | LIVE LITE| ZERO WASTE

Rain or shine, meet us at the [Green Is Easy Expo](#) at the Fairgrounds in Santa Rosa this weekend, 10/29 and 30, from 10am to 6pm. Admission is free in the morning and \$10

in the afternoon. Volunteers are needed to give the booth team breaks. Please Send a note to lite@sonic.net if you can help.

In Booth 125, we will be representing quite a few not-for-profit groups including our own - Community Bikes, Zero Waste Sonoma County, Car-Lite and LITE Clothing Swaps, as well as the [Northern California Recycling Association](#).

[NCRA](#) is promoting [Yes on Prop 67](#), - which ratifies the State-wide Bag Ban and No on 65 which is said by many - including the [East Bay Times](#), to be a misleading attempt to undermine the Bag Ban.

See you there and perhaps at the Giftaway on November 27!
