A fun, ecological way to get new-to-you items and give away unwanted quality goods!

$10 donation or volunteer for 30 minutes

We need help with Promotions, Monitoring, Clean-up & Hauling!

How to prepare for a swap:
1. Clean closets, drawers and/or storage areas.
2. Reuse or discard worn out items - do not bring to the swap!
3. Wash and sort: Women’s, Men’s and Kid’s: Tops, Sweaters, Outerwear, Shorts, Pants, Skirts, Dresses, Lingerie, Costumes, Footwear, Fabric, Books & Misc...
4. Hang as many items as possible on hangers - especially professional and dressy clothing.
5. Fold the remainder and pack into boxes and bags.
6. Drop boxes and bags at swap before parking.

On-site:
1. Things get lost easily; leave valuables at home!
2. Bring unique bags or boxes for your new items.
3. Put items in designated areas; additional hangers provided.
4. Take what you want, rehang or refold rejects and put back in proper areas.
5. After the wild free-for-all, the remainders must be packed into boxes and taken to charitable organizations. Please help.
6. Got a favorite charity? You are welcome to take items for them at the end of the swap.

Please walk, bike or carpool!

March 21
12:30 - 3:30pm
Small reuseables welcome!
Location on RSVP:
swaplite@sonic.net

April 19
10am - 2pm
Farm Market/Town Plaza
